

# LWW Health Library

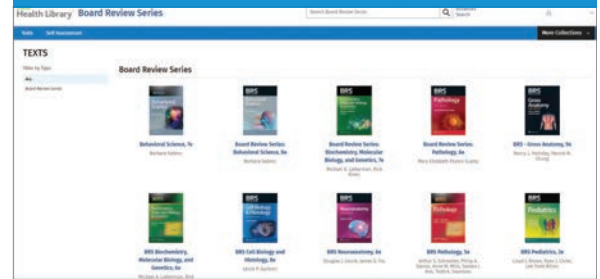

## Board Review Series

### Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

The **LWW Health Library Board Review** Series covers material in the primary basic sciences—such as gross anatomy, embryology, neuroscience, and more—that are addressed on the USMLE Step 1 exam. Textbooks and self-assessments are geared specifically to test prep success.

### Comprehensive Basic Science Exam Prep for Medical Students Taking the USMLE 1 Exam

### LWW Health Library Board Review Series includes:

- 11 textbooks covering the core disciplines of gross anatomy, physiology, embryology, behavioral science, cell biology, neuroanatomy, microbiology, Immunology, biochemistry and pathology
- Nearly 5,000 multiple — choice review questions — with answer explanations — covering all core topics
- Comprehensive online self — assessments that allow students to track their performance
- Key titles: Board Review Series: Physiology, 6th Edition; Board Review Series: Gross Anatomy, 8th Edition

### Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia tools for teaching, learning, and practice.

- **Highly-rated references:** Trusted, core texts from Lippincott Williams & Wilkins, making it a one-stop, digital portal for authoritative content paired with industry-leading functionality
- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing:** Create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- **Ovid MEDLINE® widget:** Connects students to valuable primary literature with an exclusive search widget, which returns targeted results and article previews
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Browse content on your computer, tablet, or smartphone with ease
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give residents control over their progress and motivation to learn
- **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print
- **Multimedia ancillary content:** Access videos, images, Q & A, patient education handouts, and more

## LWW Health Library: Board Review Series

### Authoritative content for the LWW Health Library Board Review Series Collection includes:

- Brown, et al: *BRS Pediatrics*
- Costanzo: *BRS Physiology*
- Dudek: *BRS Embryology*
- Fadem: *BRS Behavioral Science*
- Gartner: *BRS Cell Biology & Histology*
- Gould and Fix: *BRS Neuroanatomy*
- Gupta: *BRS Pathology*
- Halliday and Chung: *BRS Gross Anatomy*
- Hawley and Ziegler: *BRS Microbiology & Immunology*
- Lieberman and Ricer: *BRS: Biochemistry, Molecular Biology, and Genetics*
- Lerchenfeldt, et al: *BRS Pharmacology*

### Additional Features:

- Regular content updates ensure users receive the most up-to-date reference material
- Clean, user-friendly display of book pages, including tables, images, and linked references
- Multiple chapter views including full chapter, figures only, or tables only
- Links to related content in other chapters and assets in the collection for quick access, driven by powerful semantic tagging
- Subject lists are displayed on textbook browse page for easy navigation, allowing users to filter by subject in search results
- Images downloadable directly into a PPT template

### Who uses the LWW Health Library Exercise Science collection?

- **Students!** Access required readings and digital assets for class—easily navigate between materials and share with classmates and colleagues.
- **Instructors!** Create customized classroom materials and course packs and easily disseminate content to students.
