## OCCUPATIONAL THERAPY

### Why LWW Health Library?

**LWW Health Library** delivers trusted health science education and clinical content directly to students, faculty, and staff through a single portal—providing interactive online access to essential texts, procedure videos, images, real-life case studies, and quiz banks specifically tailored for the specialty. In addition to health science schools and hospitals, these resources are a must-have for related educational programs—ensuring you have the resources you need to effectively support your students’ foundational learning and clinical practice.

### Essential Clinical and Educational Content for the Occupational Therapist

### LWW Health Library OCCUPATIONAL THERAPY Includes:

- **13 core textbooks** for the OT student and practitioner (full list on reverse)
- **Robust video library** covering orthosis, physical dysfunction, and foundational knowledge
- **Sophisticated semantic search and user-friendly navigation**
- **Content updated regularly!**
- **Key titles:** Willard & Spackman’s *Occupational Therapy*; Radomski: *Physical Dysfunction in Occupational Therapy*

### Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia ancillaries for teaching, learning, and practice.

- **NEW! Account personalization:** Ability to save content to a ‘My Health Library’, access Health Library from any computer, and set up email alerts for when new content is added
- **NEW! Quizzing:** Allows users to create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- **NEW! Ovid Insights widget:** Connects students to valuable primary literature with an exclusive Ovid Insights search widget, which returns targeted results and article previews
- **Advanced semantic search:** Guides users to results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Browse content on your computer, tablet, or smartphone with ease
- **Print/save a chapter:** Users are able to download chapters via pdf, for easy access to content when offline — for note taking or to print
- **Multimedia ancillary content:** Ability to access videos, images, Q & A, patient education handouts, and more
- **Customizable collections:** Choice of purchasing each specialty collection individually, or as a bundle across multiple specialty areas.

# LWW Health Library OCCUPATIONAL THERAPY
